?Who has access to your personal data and to whom are they transferred 3

We will not sell, share, or otherwise transfer your personal data to third parties other than those indicated in
.this Privacy Notice

In the course of our activities and for the same purposes as those listed in this Privacy Notice, your personal
data can be accessed by or transferred to the following categories of recipients, on a need to know basis to
:achieve such purposes

- ;(our personnel (including personnel, departments or other companies of the Novartis group •
- ;(our independent agents or brokers (if any •
- ;(our suppliers and services providers that provide services and products to us •
- ;(our IT systems providers, cloud service providers, database providers and consultants •
- ;(our business partners who offer products or services jointly with us or with our subsidiaries or affiliates •
- ;(any third party to whom we assign or novate any of our rights or obligations; and •
- ;(our advisors and external lawyers •

The above third parties are contractually obliged to protect the confidentiality and security of your personal

.data, in compliance with applicable law

Your personal data can also be accessed by or transferred to any national and/or international regulatory, enforcement, public body or court, where we are required to do so by applicable law or regulation or at their request

The personal data we collect from you may also be processed, accessed or stored in a country outside of Israel, which may not offer the same level of protection of personal data. However. If we transfer your personal data to external companies in other jurisdictions, we will make sure to protect your personal data by (i) applying the level of protection required under the local data protection laws applicable in Israel, and (ii) acting in accordance with our policies and standards

For intra-group transfers of personal data to our group companies, the Novartis Group has adopted Binding Corporate Rules, a system of principles, rules and tools, provided by European law, in an effort to ensure effective levels of data protection relating to transfers of personal data outside the European Economic Area

?How do we protect your personal data 4

We have implemented appropriate technical and organisational measures to provide an adequate level of security and confidentiality to your personal data. There are some risks which cannot be completely prevented, and can only be minimized by implementing these kind of measures, which take into account

- ;i) the state of the art of the technology)
- ;ii) the costs of its implementation)
- iii) the nature of the data; and)
- .iv) the risk of the processing)

The purpose thereof is to protect it against accidental or unlawful destruction or alteration, accidental loss, unauthorized disclosure or access and against other unlawful forms of processing

:Moreover, when handling your personal data, we

only collect and process personal data which is adequate, relevant and not excessive, as required to meet -

the above purposes; and

.aspire to keep your personal data up to date and accurate -

For the latter, we may request you to confirm the personal data we hold about you. You are also invited to spontaneously inform us whenever there is a change in your personal circumstances so we can ensure your personal data is kept up-to-date

?How long do we store your personal data 5

We will only retain your personal data for as long as necessary to fulfil the purpose for which it was collected

.or to comply with legal or regulatory requirements

For contracts, the retention period is the term of your (or your company's) contract with us, plus the period of time until the legal claims under this contract become time-barred, unless overriding legal or regulatory schedules require a longer or shorter retention period. When this period expires, your personal data is removed from our active systems

?What are your rights and how can you exercise them 6

:You may exercise the following rights under the conditions and within the limits set forth in the law

the right to access your personal data as processed by us, and, if you believe that any information relating -

;to you is incorrect, obsolete or incomplete, to request its correction or updating

the right to request the erasure of your personal data or the restriction thereof to specific categories of -

;processing

the right to withdraw your consent at any time, without affecting the lawfulness of the processing before -

;such withdrawal
;the right to object, in whole or in part, to the processing of your personal data -
the right to object to a channel of communication used for direct marketing purposes; and -

If you have a question or want to exercise the above rights, you may send an email dataprivacy.israel@novartis.com with a scan of your identity card for identification purpose, it being understood that we shall only use such data to verify your identity and shall not retain the scan after completion of the verification. When sending us such a scan, please make sure to redact your picture and .identification number or equivalent on the scan

If you are not satisfied with how we process your personal data, please address your request to our data .protection officer at global.privacy_office@novartis.com, who will investigate your concern

Please note that you are under no legal obligation to provide us with any personal data, and the provision of personal data is subject to your consent. However, in the event you do not consent to provide us with certain personal data, as well as your consent to the processing of such personal data in accordance with this notice, .we will not be able to cooperate with you or provide you with some of our services

?How will you be informed of the changes to our Privacy Notice 7

Any future changes or additions to the processing of your personal data as described in this Privacy Notice will be notified to you in advance through an individual notice through our usual communication channels (e.g. by .(email or via our internet websites

Miscellaneous 8

This Privacy Notice (i) complements any data protection policy or a similar document introduced within Novartis before the date of this Privacy Notice and (ii) applies to any consent form signed by any data subject .for Novartis on, before and after the date of this Privacy Notice
